Rebecca is an award winning Costume Designer with many years experience. Her passion for costume lies in skillfully creating a look that defines the character in a subtle and convincing manner with an acute attention to detail. Having worked on productions of every scale from Hollywood co productions to Independent British film, she has an excellent understanding of how to work a budget of any size to create the highest production value. Rebecca enjoys working in many genres from period drama and comedy, to contemporary horror and thrillers, across Film, Television and Commercials. Rebecca has worked all over the UK and Internationally and continues to seek out engaging and challenging projects to collaborate on.
